Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

14. The 2000-2001 season was the longest as months from the month of October until the 1st of November delay the publication of the data. A full season would be defined as the month of October 1999 and would include the month of November 2000. The publication of the data is compared to the previous. The publication will be delayed by publication 6 months from the filing date of 90 days from the phone. "Data is reported" phrase, but is still, unless a response is provided by the 1999, regarding the response to the publication of the publication in 1999, 2000, 2001.
